

2024 USATF REGION 10 JUNIOR OLYMPIC CHAMPIONSHIPS

AURORA, CO

JULY 11-14

The USATF Region 10 Junior Olympic Championships are coming to Colorado!

Over 3000 athletes from Arizona, Colorado, New Mexico, and Texas will descend on Legacy Stadium in Aurora, CO from July 11-14. They will be coming with their families and coaches with the goal of qualifying for the National Championships which will be held in College Station, Texas in late July. Our goal is to make this more than just a track & field meet but a weekend that will be remembered with fond memories by all in attendance. To this we are looking to secure sponsorship partnerships with business from across Colorado and the Southwest.
